

SPACE: BARRATT HOMES, MARSTON MORETAINE

CLIENT:

Barratt Homes

LOCATION:

Marston Moretaine, Bedfordshire

SERVICES:

Architecture

“A range of 19 stylish energy-efficient homes for one of the nation’s most trusted home builders.”

Marston Park sits within the welcoming village of Marston Moretaine, Bedfordshire. A nearby forest centre and proximity to the M1, Milton Keynes and Bedford make it a desirable location for buyers.

As part of a larger, long-term development programme, JWA provided Barratt Homes with a range of services including site plans for this fast track 104 plot development featuring a range of stylish three and four bedroom homes.

In addition, JWA provided a full construction package consisting of 19 different home types in a range of terrace, semi-detached and detached properties.

Each design incorporated bespoke finishes in keeping with the locality and planning requirements, as well as the latest energy saving technology.

The phased opening of the Marston Park site began in 2011, and offers the best of inclusive community focused modern planning.
